

What a Delegate does

The Delegate acts as an Exchange Company for the smart money, trading BETTER on behalf of sellers and buyers earning an excellent commission by connecting them without impacting the price.

- The Delegate possess sales skills, interpersonal abilities, and potentially global contacts.
- The Delegate has a Metamask wallet with multiple accounts, one for each Owner who delegates BETTER. If the Delegate does not sell the BETTER or loses the seed key, Owners can recover their BETTER by sending 0 BETTER to the Delegate's account or Buyer's account, depending on where theirs BETTER.
- The Delegate is in constant contact with BETTER buyers and also offers them future sales services, like a real estate agent. Buyers can delegate to any Delegate.
- The Delegate receives BETTER from Owners wanting to sell.
- The Delegate sends the PAYORDER payment order to the contacted Buyer.
- The Delegate automatically receives 12% in ETH and 3% in BETTER from PayForBetter.eth platform in the payment's proportion made by the buyer.
