

What a Delegate does

Delegate acts as an Exchange company for the smart money, trading BETTER on behalf of sellers and buyers for a commission by connecting them without impacting the price.

Delegate possess sales skills, interpersonal abilities, and potentially global contacts.

Delegate has a Metamask wallet with multiple accounts, one for each Owner who delegates BETTER. If the seed key is lost, Owners can recover their BETTER by sending 0 BETTER to the Delegate's account or Buyer's account, depending on where their Better.

Delegate is in constant contact with BETTER buyers and also offers them future sales services, like a real estate agent. Buyers can delegate to any Delegate.

Delegate receives BETTER from Owners wanting to sell.

Delegate sends the ETH_PAY payment order to the contacted Buyer.

Delegate automatically receives 4% in ETH and 1% in BETTER from [PayForBetter.eth](https://payforbetter.eth) platform proportionally to the payment.
